Account Number: 68149860
Reference: WinterGift24

DHM is raising funds to meet the needs of the most vulnerable.

Every penny you donate will:

- provide life saving medication.
- bring fun days and gifts to children who have lost almost everything.
- provide warm hubs and generators for those left homeless and cold.

Ukranians, old and young, are left cold, scared and hopeless this winter due to the devastations of war.
